

Directions to Model Suite and Rental Office

Take the driveway into Tecumseh Terrace, located at 11917 Tecumseh Rd. E and go straight to the back of the building.

As you drive you will see a blue fence (Gate 2), drive straight through park along the back fence to the model suite (closest corner unit).

Please do not use the entry on Southfield Drive, it is not permitted due to heavy construction going on that side.

If you have any problems, please call me at **(226) 783-6243** and I'll help guide you in.
